

Beatles - Hey Jude

(F major)

2x Part A / Verse:

I - V - V - I - IV - I - V - I (chord number...?)

F - C - C7 - F - Bb - F - C - F

Last time before Part B: Descent from an F (I) a F7 with the Eb in the bass.

Part B / (Chorus?):

I - IV - IV - II - IV - V - I

F7/Eb - Bb - Bbmaj7/A - Gm - Bb/F - C/E - F

Part C / 1. na-na part

I - V

F7/Eb - C

1x Part A

2x Part B

1x Part C

1x Part A

Now with harmonized vocals and new ending before it takes of

10ish x Part D / super chant-a-long na na part till fade out

Does it change to F mixolydian here, to make the chords add up..?

I - ? - IV

F - Eb - Bb

(Brass instruments enters 4th time, and intensity kinda going up all the time)
